SCHEDULE

DISCLOSURE OF PREMIUM:

Total Terrorism Premium	\$65
Fire Following Premium	NA
Other than Fire Following Premium	\$65

Disclosure of Terrorism Coverage Available

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from "acts of terrorism" defined in Section 102(1) of the Act as follows:

Any act or acts that are certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The premium charged for this coverage is provided in the **SCHEDULE** above and does not include any charges for the portion of loss that may be covered by the Federal Government as described below. This premium has been added to your policy and unless this form is signed and returned to us to reject terrorism coverage, coverage for Certified Acts of Terrorism is provided by your policy.

Your policy may contain other exclusions which could affect your coverage, such as an exclusion for Nuclear Events or Pollution. **Please read your policy carefully.**

Note for Commercial Property or Commercial Inland Marine Policyholders in Standard Fire States:

In Standard Fire states, terrorism exclusions make an exception for (and therefore provide coverage for) fire losses resulting from an act of terrorism. Any policyholder with a location that we insure in a Standard Fire State that rejects our offer of terrorism coverage in this form will still have coverage with us for fire losses resulting from an act of terrorism.

Explanation of Premium

If a dollar amount is shown for Fire Following Premium in the **SCHEDULE** above that means we insure a location of yours in a Standard Fire State. Fire Following Premium is shown in the **SCHEDULE** above regardless of whether a policyholder with a location that we insure in a Standard Fire State accepts or rejects terrorism coverage with us. Fire Following Premium represents the charge for the coverage we provide for fire losses resulting from acts of terrorism. Fire Following Premium does not include Other Than Fire Following Premium. All Other Than Fire Following Premium is shown in the Other Than Fire Following Premium field in the **SCHEDULE** above.

If a dollar amount is shown for Other Than Fire Following Premium in the **SCHEDULE** above that means you have accepted terrorism coverage with us. Other Than Fire Following Premium represents the charge for terrorism coverage. Other Than Fire Following Premium does not include Fire Following Premium. If applicable, all Fire Following Premium is shown in the Fire Following Premium field in the **SCHEDULE** above.

The dollar amount shown for Total Terrorism Premium in the **SCHEDULE** above represents the sum of premium for Fire Following Premium and Other Than Fire Following Premium.

Disclosure of Federal Participation in Payment of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 80% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

Cap on Insurer Participation in Payment of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

CLAIMS-MADE WARNING

THIS POLICY PROVIDES COVERAGE ON A CLAIMS-MADE BASIS FOR TECHNOLOGY LIABILITY COVERAGE. SUBJECT TO ITS TERMS, TECHNOLOGY LIABILITY COVERAGE APPLIES ONLY TO "CLAIMS" FIRST MADE AGAINST "YOU" DURING THE "POLICY PERIOD", AUTOMATIC EXTENDED REPORTING PERIOD OR ANY PURCHASED OPTIONAL EXTENDED REPORTING PERIOD THAT MAY APPLY. PLEASE READ THE POLICY CAREFULLY TO DETERMINE RIGHTS, DUTIES, COVERAGE AND COVERAGE RESTRICTIONS.

"CLAIM EXPENSE" WITHIN LIMITS

THE LIMITS OF INSURANCE FOR TECHNOLOGY LIABILITY COVERAGE WILL BE REDUCED AND MAY BE EXHAUSTED BY THE PAYMENT OF COVERED "CLAIM EXPENSE". IN THE EVENT THAT THE LIMIT OF INSURANCE IS EXHAUSTED, WE SHALL NOT BE LIABLE FOR "CLAIM EXPENSE", JUDGMENTS OR SETTLEMENTS IN EXCESS OF THE APPLICABLE LIMIT.

RETENTIONS

THIS POLICY IS SUBJECT TO RETENTION AMOUNTS STATED IN THE DECLARATIONS. AMOUNTS INCURRED FOR COVERED "CLAIM EXPENSE", "DAMAGES", AND "FIRST PARTY CYBER LOSS" SHALL BE APPLIED AGAINST THE APPLICABLE RETENTION AMOUNT. COVERED "CLAIM EXPENSE", "DAMAGES", AND "FIRST PARTY CYBER LOSS" WITHIN THE APPLICABLE RETENTION MUST BE PAID BY THE "FIRST NAMED INSURED" AND SUCH PAYMENTS WILL NOT REDUCE THE LIMIT OF INSURANCE.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "we", "us" and "our" refer to the company providing this policy. Other words and phrases that appear in quotations have special meaning. Refer to **SECTION VI – DEFINITIONS**.

THE DECLARATIONS WILL IDENTIFY WHICH COVERAGES ARE PROVIDED WITH THIS POLICY. ONLY THOSE COVERAGES SHOWN WITH A LIMIT OF INSURANCE ON THE DECLARATIONS APPLY.

SECTION I – COVERAGE

A. TECHNOLOGY LIABILITY COVERAGE

1. ERRORS AND OMISSIONS LIABILITY

We will pay those sums "you" become legally obligated to pay as "damages" and "claim expense" because of a "claim" made against "you" directly resulting from an actual or alleged "errors and omissions anomaly" in "your product" or "your work" to which this insurance applies.

2. CYBER AND PRIVACY SECURITY LIABILITY

We will pay those sums "you" become legally obligated to pay as "damages" and "claim expense" because of a "claim" made against "you" directly resulting from an actual or alleged "cyber and privacy security anomaly" in "your product" or "your work" to which this insurance applies.

3. PERSONAL INJURY LIABILITY

We will pay those sums "you" become legally obligated to pay as "damages" and "claim expense" because of a "claim" made against "you" directly resulting from an actual or alleged "personal injury anomaly" in "your product" or "your work" to which this insurance applies.

4. MEDIA AND CONTENT LIABILITY

We will pay those sums "you" become legally obligated to pay as "damages" and "claim expense" because of a "claim" made against "you" directly resulting from an actual or alleged "media and content anomaly" in "your product" or "your work" to which this insurance applies.

5. WHEN THIS INSURANCE APPLIES

The insurance provided in paragraphs 1. through 4. above applies only if:

- a. The "third party anomaly" first occurred on or after the applicable retroactive date(s) and before the end of the "policy period". The applicable retroactive date is the specific date entered on the Declarations for that "third party anomaly", or if no date is entered, the policy effective date shown on the Declarations;
- b. The "claim" is first made against "you" during the "policy period" or any applicable extended reporting period we provide and the "claim" is reported to us as set forth in **SECTION V – CONDITIONS, 9. Duties in the Event of a "Claim"**. A "claim" will be deemed to be first made at the following times:
 - (1) With respect to the "Named Insured", when we or any "described authorized person" first receives notice that a "claim" has been made or will be made against the "Named Insured"; or
 - (2) With respect to "you" (other than the "Named Insured"), when either we or "you" first receive notice that a "claim" has been made or will be made against "you";
- c. If two or more "claims" are made on account of a single "third party anomaly" or a series of "related third party anomalies", then they shall be treated as a single "claim" first made on the date the earliest of the "claims" was made, regardless of whether that date is before or during the "policy period" or, if applicable, during an extended reporting period.
- d. "You" did not give notice of such "third party anomaly" to any prior insurer, or notice under any policy of which this policy is a renewal or replacement, or succeeds in time; and
- e. Prior to the inception date of the first Technology Professional and Cyber Advantage policy issued by us, no "described authorized person" knew a "third party anomaly" occurred, or knew of any fact which could reasonably be expected to result in a "claim".

6. DEFENSE AND SETTLEMENT

Only with respect to the insurance provided in paragraphs 1. through 4. above:

- a. We have the right and duty to defend "you" against any "claim" seeking "damages" to which this insurance applies, even if the allegations in such "claim" are groundless, false or fraudulent;
- b. We have the right and duty to defend "you" against any "claim" seeking injunctive relief to prevent any "third party anomaly" to which this insurance applies from continuing or resuming, but only if no provider of other insurance has a duty to defend that "claim".
- c. The amount we will pay for "damages" and "claim expense" is subject to limits and retention as described in **SECTION IV – LIMITS OF INSURANCE AND RETENTIONS** and the Declarations. No other obligation or liability to pay sums is covered unless explicitly provided for under **SECTION III – SUPPLEMENTARY PAYMENTS**.
- d. If we retain counsel to defend "you" in a "claim", we will work with "you" to select counsel that is acceptable to both "you" and us, but we retain the sole right to appoint such counsel, subject to applicable law.
- e. When we defend a "claim" against "you", we will pay reasonable and necessary "claim expense" subject to the Limit of Insurance. Payment of such "claim expense" will reduce and may exhaust the Limit of Insurance available to pay "damages".
- f. We have no duty to defend "you" against any "claim" or pay related "claim expense" for a "claim" to which this insurance does not apply.
- g. Our right and duty to defend end when the applicable Limit of Insurance shown on the Declarations has been exhausted by the payment of "damages" or "claim expense". Upon exhaustion of the limits of insurance, we will initiate and cooperate in the transfer of control of the defense of any ongoing "claim" to "you". "You" agree to accept this tender and arrange for the defense of such "claim" as soon as practicable. We agree to take such steps we deem necessary to avoid a default in, or to continue the defense of, any "suit" until the transfer is completed, provided "you" are cooperating with the completion of the transfer.
- h. With respect to all "claims":
 - (1) We may make any investigation of a "claim" we deem necessary;
 - (2) We may settle any "claim" provided we have the "Named Insured's" written consent, which shall not be unreasonably withheld; and

- (3) "You" will not settle any "claim" without our prior written consent, even if the "claim" is less than the retention amount.

These payments will not reduce the Limits of Insurance.

Our duty to make Supplementary Payments ends when we have used up the applicable Limit of Insurance in the payment of "damages" and "claim expense".

2. Pre-Claim Expense

We may, at our sole discretion, pay all "claim expense" we incur in investigating a potential "claim" "you" report in accordance with **SECTION V – CONDITIONS, 11. Duties in the Event of Notice of Potential "Claim"**. Such payments will not apply toward the Limits of Insurance and Retention unless and until the "claim" is made in accordance with **SECTION V – CONDITIONS, 9. Duties in the Event of a "Claim"**, at which time all "claim expense" incurred prior to the notice of "claim" becomes subject to the Limits of Insurance and Retention.

SECTION IV – LIMITS OF INSURANCE AND RETENTIONS

1. Limit of Insurance – Aggregate Limit Options

The “First Named Insured” must select an Aggregate Limit Option: either the Technology Liability and First Party Cyber Coverages **Shared Aggregate Limit Option** or the Technology Liability and First Party Cyber Coverages **Separate Aggregate Limits Option**. The Aggregate Limit Option selected by the “First Named Insured” will be shown on the Declarations and will be the only option to apply to coverage under this policy. The Aggregate Limit Options are described more fully below.

a. Technology Liability and First Party Cyber Coverage Shared Aggregate Limit Option

The Policy Aggregate Limit shown on the Declarations in Item **3**. is the most we will pay for the sum of all “damages”, “claim expense” and “first party cyber loss” under **SECTION I – COVERAGE** for Technology Liability Coverage and First Party Cyber Coverage including Fines and Penalties and Regulatory Defense, if applicable, covered under this policy.

Each payment we make for such “damages”, “claim expense” or “first party cyber loss” reduces the amount of insurance available under the Policy Aggregate Limit by the amount of such payment. When this Policy Aggregate Limit is exhausted, we shall have no further obligation to defend “claims” seeking such “damages” or to pay “damages”, “claim expense” or “first party cyber loss”.

b. Technology Liability and First Party Cyber Coverages Separate Aggregate Limits Option

(1) The **TECHNOLOGY LIABILITY COVERAGE AGGREGATE LIMIT** shown on the Declarations in Item **3**. for all Technology Liability Coverages purchased is the most we will pay for the sum of all “damages” and “claim expense” for Technology Liability Coverages including Fines and Penalties and Regulatory Defense, if applicable, covered under this policy.

Each payment we make for such “damages” or “claim expense” reduces the amount of insurance available under the Technology Liability Coverage Aggregate Limit by the amount of such payment. When the Technology Liability Coverage Aggregate Limit is exhausted, we shall have no further obligation to defend “claims” seeking such “damages” or to pay such “damages” or “claim expense”.

(2) The **FIRST PARTY CYBER COVERAGE AGGREGATE LIMIT** shown on the Declarations in Item **8**. is the most we will pay for the sum of all “first party cyber loss” for First Party Cyber Coverages covered under this policy.

Each payment we make for “first party cyber loss” reduces the amount of insurance available under the First Party Cyber Coverage Aggregate Limit by the amount of such payment. When this First Party Cyber Coverage Aggregate Limit is exhausted, we shall have no further obligation to pay “first party cyber loss”.

2. Technology Liability Coverage Each “Claim” Limit of Insurance

Subject to paragraph **1. Limit of Insurance – Aggregate Limit Options** above, if an Each “Claim” Limit of Insurance is shown on the Declarations in Item **5**. for a specific Technology Liability Coverage, then such Each “Claim” Limit of Insurance is the most we will pay for the sum of all “damages” and “claim expense” because of a “claim” directly resulting from a single “third party anomaly” or a series of “related third party anomalies” for the selected Technology Liability Coverage, regardless of the number of persons or entities insured, the number of “claims” made or the number of persons or entities making “claims” during the “policy period” or during any applicable Extended Reporting Period.

Each payment we make for such “damages” or “claim expense” reduces the amount of insurance available under the Each “Claim” Limit of Insurance for the selected coverage by the amount of such payment. When the applicable Each “Claim” Limit of Insurance is exhausted, we shall have no further obligation to defend “claims” seeking such “damages” or to pay such “damages” or “claim expense” because of a “claim” directly resulting from a single “third party anomaly” or a series of “related third party anomalies”.

3. First Party Cyber Coverage Limit of Insurance

Subject to paragraph **1. Limit of Insurance – Aggregate Limit Options** above, if a Limit of Insurance is shown in Item **9**. on the Shared Aggregate Limit Declarations or Item **10**. on the Separate Aggregate Limit Declarations for a First Party Cyber Coverage, then such Limit of Insurance shown on the Declarations is the most we will pay for the sum of all applicable “first party cyber loss” for the selected First Party Cyber Coverage regardless of the number of persons or entities insured, the amount of “first party cyber losses” claimed or the number of “first party cyber incidents” during the “policy period”.

Each payment we make for "first party cyber loss" reduces the amount of insurance available under the Limit of Insurance for the selected First Party Cyber Coverage by the amount of such payment. When the applicable Limit of Insurance is exhausted, we shall have no further obligation to pay "first party cyber loss" for the selected coverage.

4. Retentions

a. Technology Liability Coverage "Each Claim" Retention

Subject to paragraph 1. **Limit of Insurance – Aggregate Limit Options** above, for each Technology Liability Coverage shown with an Each "Claim" Limit on the Declarations in Item 5., we have no obligation to pay "damages" or "claim expense" until the Each "Claim" Retention shown on the Declarations in Item 6. has been paid. The retention applies separately to each "claim".

All "claims" directly resulting from a "third party anomaly" or any "related third party anomalies" shall be subject to the each "claim" retention shown on the Declarations.

At our sole discretion, we may pay all or part of the each "claim" retention to settle a "claim", in which event the "First Named Insured" agrees to repay us promptly after notification of such retention payment.

b. Technology Liability Coverage – Reduction of Retention

If, prior to service of a "suit", or within 60 days after the filing of a "suit", "you" and we agree to non-binding arbitration by a neutral third party to resolve any "claim" reported to us, and if such "claim" is resolved through such non-binding arbitration, we will reduce the retention amount applicable to such "claim" by fifty percent (50%) or \$10,000, whichever is less.

c. First Party Cyber Retention

Subject to paragraph 1. **Limit of Insurance – Aggregate Limit Options** above, for each First Party Cyber Coverage shown with a Limit of Insurance in Item 9. on the Shared Aggregate Limit Declarations or Item 10. on the Separate Aggregate Limit Declarations, except for Business Income Loss and Extra Expense and Contingent Business Income Loss and Extra Expense, we have no obligation to pay "first party cyber loss" until the applicable First Party Cyber Coverage Retention shown in Item 10. on the Shared Aggregate Limit Declarations or Item 11. on the Separate Aggregate Limit Declarations has been paid. The retention applies separately to each "first party cyber loss".

If a single "first party cyber loss", or a series of continuous, repeated or related "first party cyber losses", are subject to different retentions, the applicable retention(s) will be applied separately. However, the First Party Cyber Coverage Retentions applied to such "first party cyber loss" will not exceed the largest applicable retention.

d. If a "first party incident" that causes "first party cyber loss" and a "third party anomaly" that results in "damages" or "claim expense" to which this insurance applies are related, we will apply each retention separately. However, the sum of all retention amounts applied to such "first party cyber loss", "damages", or "claim expense" will not exceed the largest applicable retention.

e. The Limits of Insurance will not be reduced by payment of any "damages", "claim expense" or "first party cyber loss" within the applicable retention amount.

f. Retention(s) shall be the responsibility of the "First Named Insured".

g. All terms and conditions of this policy apply, irrespective of the retention.

5. Fines and Penalties and Regulatory Defense

Subject to paragraph 1. **Limit of Insurance – Aggregate Limit Options** above, if a Fines and Penalties and Regulatory Defense limit is shown on the Declarations in Item 5., such limit is the most we will pay for the sum of all "regulatory proceeding claim expense" incurred and "fines and penalties" regardless of the number of persons or entities insured, the number of "claims" made, or the number of government agencies or entities making "claims" during the "policy period" or any applicable extended reporting period.

The Fines and Penalties and Regulatory Defense limit is part of, and not in addition to, the applicable Aggregate Limit shown on the Declarations and is subject to the Each "Claim" retention shown on the Declarations in Item 6.

SECTION V – CONDITIONS

1. Allocation

If a "claim" includes both covered and uncovered matters, then coverage shall apply as follows:

a. For "claim expense":

(1) One hundred percent (100%) of "claim expense" incurred by "you" on account of such "claim" shall be considered covered. However, the foregoing does not apply to:

(a) "Regulatory proceeding claim expense" unless a limit is shown on the Declarations for Fines and Penalties and Regulatory Defense, then the amounts for covered "regulatory proceeding claim expense" and for uncovered fees, costs and expenses shall be allocated based upon the relative legal and financial exposures of, and the relative benefits obtained by, the parties to such matters; or

(b) "Claim expense" if coverage is excluded under **SECTION II – EXCLUSIONS, EXCLUSIONS APPLICABLE TO SECTION I – COVERAGE, A. TECHNOLOGY LIABILITY COVERAGE AND B. FIRST PARTY CYBER COVERAGE, 6. Criminal, Fraudulent, Dishonest Act or Intentional Violation of Law.**

b. For "damages" other than "claim expense":

3. Bankruptcy

Bankruptcy or insolvency of "you" or of "your" estate will not relieve us of our obligations under this policy.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

g. We are not required to renew this policy. However, written notice of our intent to non-renew this policy shall be sent to the "First Named Insured" at least 60 days prior to expiration of the "policy period".

5. Change in Ownership, Control or Exposure

a. If during the "policy period":

(1) Another person, entity or group of persons or entities acquires more than 50 percent of the assets of a "Named Insured";

(2) Another person, entity, or group of persons or entities, acquires the right to select a majority of a "Named Insured's" directors or trustees; or

(3) A "Named Insured" consolidates with or merges with another entity and the "Named Insured" is the surviving entity;

The "Named Insured" shall notify us as soon as practicable, but not later than 30 days after the effective date of the transaction. The "First Named Insured" shall provide any additional information we request.

b. If the described transaction in paragraph a. occurs and notification is timely provided, coverage under this policy for the "Named Insured" shall continue until the end of the "policy period", but only with respect to "claims" made for "damages" attributable to "third party anomalies" or "first party cyber losses" attributable to "first party incidents" which took place prior to the transaction, unless:

- (1) We agree in writing to provide coverage for "claims" or "first party cyber losses" made on or after the date of such transaction; and
- (2) The "First Named Insured" accepts any special terms, conditions, exclusions or additional premium charged by us.
- c. If the "Named Insured" fails to provide notice as described in paragraph 4.a. above, or fails to pay additional premium when due as described in paragraph 4.b. above, coverage provided to the involved entity shall terminate as of the date of the transaction.
- d. If, during or prior to the "policy period", any entity ceases to be a "subsidiary", then coverage will be available under the policy for such "subsidiary", but only for a "third party anomaly" or "first party incident" occurring before such transaction. No coverage will be available for any "third party anomalies" or "first party incidents" occurring after such transaction.

6. Changes

This policy contains all the agreements between the "First Named Insured" and us concerning the insurance afforded. The "First Named Insured" is authorized to make changes to the terms of this policy with our consent and such changes will apply to all entities that qualify as "you". This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

7. Conformance to Statute

Any term of this policy which is in conflict with the statutes of the state in which this policy is issued is amended to conform to those statutes.

8. Coverage Territory

This policy applies to "third party anomalies" and "first party incidents" that occur anywhere in the universe with the exception of any country or jurisdiction which is subject to trade or other economic sanction or embargo by the United States of America.

9. Duties in the Event of a "Claim"

If a "claim" is made:

- a. "You" must see to it that we receive written notice of the "claim" as soon as practicable. To the extent possible, notice should include:
 - (1) How, when and where the "third party anomaly" took place;
 - (2) The names and addresses of any persons or entities allegedly sustaining injury or "damages" and any witnesses; and
 - (3) The nature, amount and location of any injury, expense or "damages" directly resulting from the "third party anomaly".
- b. "You" must:

 - (2) Authorize us to obtain records and other information;
 - (3) Cooperate with us in the investigation, defense or settlement of the "claim"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or entity which may be liable to "you" because of "damages" to which this insurance may apply.
- c. "You" will not, except at "your" own cost, voluntarily make a payment, assume any obligation, or incur any expense related to a "claim" without our consent.

10. Duties in the Event of a "First Party Incident"

If a "first party incident" occurs:

- a. "You" must see to it that we receive written notice of the "first party incident" as soon as practicable. To the extent possible, notice should include:

11. Duties in the Event of Notice of Potential "Claim"

If, during the "policy period", "you" become aware of any facts which could reasonably be expected to result in a "claim" directly resulting from a "third party anomaly" that occurred on or after the retroactive date but prior to the end of the "policy period", "you" may give written notice to us or any of our authorized agents with the full details.

Any subsequent "claim" made against "you" directly resulting from these facts will be deemed to have been made at the time the initial notice of potential "claim" was given to us. No subsequent policy issued by us will apply to such "claim".

Written notice of a potential "claim" by "you" or on "your" behalf to any of our authorized agents will be deemed to be notice to us.

For purposes of this condition, if written notice of a potential "claim" is received by us no later than 90 days after the end of the "policy period", then such potential claim will be deemed to have been received by us during the "policy period".

12. International Insurance Requirements

a. Compulsory Insurance

This policy is not a substitute for any compulsory local insurance in any country, jurisdiction, state or province whether or not this policy is accepted by local authorities. "You" must fully maintain any coverage required by law, regulation or other governmental authority during the "policy period". However, reduction of aggregate limits due to payments of "claims", judgments or settlements will not affect this requirement.

Failure to maintain such coverage required by law, regulation or other governmental authority will not invalidate this insurance. However, this insurance will apply as if the required coverage was in full effect.

The insurance provided by this policy is not admitted insurance in any country, jurisdiction, state, or province outside of the United States (including its territories and possessions). We are not responsible for any fines, taxes, or other penalties "you" may incur if "you" failed to obtain admitted insurance for "your" operations in any country, jurisdiction, state, or province. We will not provide any required bonds, certificates, or other evidence of insurance where this is not admitted insurance.

b. Difference in Conditions

This insurance applies on a difference in conditions basis when there is other insurance that:

- (1) Is issued in a country or jurisdiction outside the United States (including its territories and possessions);
- (2) Is intended to apply to "claims" made or brought in that other country or jurisdiction; and
- (3) Provides coverage, in whole or in part, for the same "claim" covered by this insurance.

When this insurance applies on a difference in conditions basis, we will pay the difference between:

- (4) The amount we would have paid under this insurance if no other insurance was available; and
- (5) The amount "you" are entitled to under the terms and conditions of the other insurance "you" have for the same "claim", whether "you" can collect or not.

c. Currency

All premiums, limits, retentions, benefits, "damages", "claim expense", "first party cyber loss", Supplementary Payments and any other amounts are expressed and payable in the currency of the United States of America.

- (1) All payments or reimbursements we make for damages because of judgments or settlements will be made in United States currency at the prevailing exchange rate as published in The Wall Street Journal at the time "you" became legally obligated to pay such sums.

(2) All payments or reimbursements we make for expense and Supplementary Payments will be made in United States currency at the prevailing exchange rate as published in The Wall Street Journal at the time the expense was incurred.

(3) All payments or reimbursements we make for loss of "digital currency" will be made in United States currency at the prevailing exchange rate as published in The Wall Street Journal at the time of loss.

If there is no applicable rate of exchange published in the Wall Street Journal, then payment under this Policy shall be made in the equivalent of United States of America dollars at the actual rate of exchange for such currency.

At our sole option, we may make any of these payments in a different currency.

d. When We Are Prohibited From Defending "You"

If we are prevented by law anywhere within the "coverage territory" from fulfilling our duty to defend any of "you" or investigate "claims", "you" will be responsible for providing that defense. We will reimburse "you" for all reasonable "claim expense" incurred which we would have paid if we had defended or investigated the "claim". Our duty to make such payments ends when we have used up the applicable Limit of Insurance in the payment of judgments or settlements subject to the applicable Limits of Insurance and retentions.

e. When We Are Prohibited From Paying "Damages" on "Your" Behalf

If we are prevented by law, anywhere in the "coverage territory", from paying "damages" to which this insurance applies, "you" may pay such "damages" with our written consent. Upon proof of such payments, we will reimburse "you" for such "damages", subject to the applicable Limit of Insurance.

f. When We Are Prohibited From Paying Supplementary Payments

If the laws or regulations of a country or jurisdiction within the "coverage territory" prohibit us from paying a Supplementary Payment on "your" behalf, we will reimburse "you" for such Supplementary Payment that "you" incur.

g. Foreign Tax

If we make payment in a jurisdiction outside of the United States (including its territories and possessions), Puerto Rico and Canada, all payments shall be made pre-tax without regard to tax consequences. We will not be liable for any differential or financial burden due to tax liability on the payment.

13. Legal Action Against Us

a. With respect to Technology Liability Coverage, no person or entity has a right under this policy:

- (1) To join us as a party or otherwise bring us into a "suit" asking for "damages" from "you"; or
- (2) To sue us on this policy unless there has been compliance with all of its terms.

A person or entity may sue us to recover on an agreed settlement or on a final judgment against "you", but we will not be liable for "damages" that are not payable under the terms of this policy or that are in excess of the applicable limits of insurance. An agreed settlement means a settlement and release of liability signed by "you" and the claimant or the claimant's legal representative and approved by us.

Any disputes between "you" and us as to whether there is coverage under this policy must be filed in the courts of the United States of America (including its territories and possessions), Puerto Rico or Canada.

b. With respect to First Party Cyber Coverage, no person or organization has a right under this policy to sue us for a "first party cyber loss":

- (1) Unless all of its terms have been fully complied with;
- (2) Until 90 days after "you" have filed proof of loss with us; and
- (3) Unless such "suit" is brought within two years from the date the "described authorized person" discovers the "first party incident" that caused the "first party cyber loss".

14. Liberalization

If we adopt any revisions to the terms and conditions of this policy form to provide more coverage without additional rate during the policy term, the broadened coverage will immediately apply. However, the broadened terms and conditions will not apply to any "claims" that were first made against "you" or "first party incidents" that occurred prior to the effective date of the revision.

15. Other Insurance

a. Technology Liability Coverage

If "you" have other insurance which applies to a "claim" covered by this policy, this policy will be excess over any insurance, whether valid or collectible, including deductibles, retentions, whether the other insurance is primary, pro rata, contributory, excess, contingent or on any other basis. However, if the other insurance is written to apply as specific excess insurance over this policy's Limit of Insurance or the other insurance is an extended reporting period endorsement attached to another policy that we issued, this policy will be primary.

When this insurance is excess, we have no duty to investigate or defend any "claim" if any other insurer has a duty to defend "you" against that "claim". If no other insurer defends, we will undertake to do so, but we will be entitled to "your" rights against all those other insurers.

b. First Party Cyber Coverage

- (1) If "you" have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this policy, we will pay only our share of the covered "first party cyber loss". Our share is the proportion that the applicable Limit of Insurance under this policy bears to the limits of insurance of all insurance covering on the same basis.
- (2) If there is other insurance covering the same "first party cyber loss", other than that described in (1) above, we will pay only for the amount of "first party cyber loss" in excess of the amount due from that other insurance. We will not pay more than the applicable Limit of Insurance or applicable Aggregate Limit shown on the Declarations.

16. Representations

By accepting this policy, the "Named Insured" agrees that:

- a. The statements in the Application and Declarations are accurate and complete;
- b. Those statements are based on representations the "Named Insured" made to us; and
- c. We have issued this policy in reliance upon these statements and representations.

The unintentional failure to disclose all hazards existing as of the inception date of the policy will not prejudice "your" rights under this policy. However, this provision does not affect our right to collect additional premium or exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws and regulations.

17. Right to "Claim" Information

- a. If required by applicable law or regulation, we will provide the "First Named Insured" the following information relating to this and any preceding insurance we have issued during the previous three years:
 - (1) A list or other record of each "third party anomaly" not previously reported to any other insurer, of which we were notified in accordance with **SECTION V – CONDITIONS, 9. Duties in the Event of a "Claim"**. We will include the date and brief description of the "third party anomaly" if that information was in the notice we received.
 - (2) A summary by policy year, of payments made and amounts reserved, stated separately under the applicable Aggregate for each annual policy year limit.
- b. Amounts reserved are based on our judgment. They are subject to change and should not be regarded as ultimate settlement values.
- c. "You" must not disclose this information to any claimant or claimant's representative without our consent.
- d. If we cancel or elect not to renew this policy, we will provide such information no later than 30 days before the date of policy termination. In all other circumstances, we will provide this information only if we receive a written request from the "First Named Insured", in which case we will provide this information within 45 days of receipt of the request.
- e. We compile "claim" and "third party anomaly" information for our own business purposes and exercise reasonable care in doing so. In providing this information to the "First Named Insured" we make no representations or warranties.

Cancellation or nonrenewal will be effective even if we inadvertently fail to provide this information, or provide inaccurate or incomplete information.

18. Section Titles and use of Bold Type

The titling and bolding of sections and paragraphs within this policy is for convenience only and shall not be interpreted as a term or condition of this policy.

19. Separation of Insureds

Except with respect to the Limits of Insurance and Retention and any rights or duties specifically assigned in this policy to the "First Named Insured", this insurance applies:

- a. As if each "Named Insured" were the only "Named Insured"; and
- b. Separately to each of "you" against whom a "claim" is made.

20. Sole Agent for "You"

By accepting this policy, "you" agree that only the "First Named Insured" is authorized to act on behalf of all of "you" with respect to the following: payment of premiums, payment of Retention Amount, receiving return premiums, giving or receiving notice of cancellation or nonrenewal, requesting any Optional Extended Reporting Period and agreeing to any change to this policy.

Our communication on these matters will be with the "First Named Insured" and the inclusion of any of "you" on any such correspondence does not grant, alter or extend any rights or obligations under this policy.

21. Subrogation

- a. In the event of payment under this policy, "you" must transfer to us any applicable rights to recover from another person or entity all or part of any such payment. "You" shall execute all papers required and shall do everything necessary to secure and preserve such rights, including the execution of such documents necessary to enable us to effectively bring suit or otherwise pursue subrogation rights in "your" name.
- b. If prior to the "third party anomaly" or "first party incident" connected with such payment, "you" have agreed in writing to waive "your" right of recovery or subrogation against any person or entity in accordance with **SECTION IV – CONDITIONS, 23. Transfer Of Rights Of Recovery Against Others**, such agreement shall not be considered a violation of "your" duties under this policy.

22. Two or More Policies, Coverage Parts, or Endorsements Issued by Us

It is our stated intent that the various coverage parts, forms, endorsements or policies issued to the "Named Insured" by us, or any company affiliated with us, do not provide any duplication or overlap of coverage for the same "claim", "third party anomaly", "claim expense", "damages", "first party incident" or "first party cyber loss". If this coverage part, form, endorsement or policy and any other coverage part, form, endorsement or policy issued to the "Named Insured" by us, or any company affiliated with us, apply to the same "claim", "third party anomaly", "claim expense", "damages", "first party incident", or "first party cyber loss", the maximum Limit of Insurance under all such coverage parts, forms, endorsements or policies combined shall not exceed the highest applicable Limit of Insurance under any one coverage part, form, endorsement or policy.

This paragraph does not apply to umbrella insurance, or excess insurance, written by us or any company affiliated with us and issued to "you" specifically to apply in excess of the Limits of Insurance shown in the Declarations.

23. Transfer Of Rights Of Recovery Against Others

- a. With respect to Technology Liability Coverage, we will waive our right to recover "damages" from another person or entity because of payments we make for "damages" directly resulting from a "third party anomaly", provided "you" have waived "your" rights to recover against such person or entity in a written contract or agreement executed before the "third party anomaly" is committed.

In all other circumstances, "you" agree to assign to us "your" rights of recovery against any other party for any "damages" or "claim expense" we have paid on "your" behalf. "You" will do everything necessary to preserve our rights and will do nothing to impair them. At our request, "you" will bring "suit" or transfer those rights to us and help us enforce them.

- b. With respect to the First Party Cyber Coverage, if any person or organization to or for whom we make payment under this policy has rights to recover "first party cyber loss" from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after the loss to impair them. But "you" may waive "your" rights against another party in writing:

(1) Prior to a "first party incident"; or

(2) After a "first party incident" only if, at the time of the "first party incident", that party is one of the following:

(a) Someone insured by this insurance;

(b) A business firm:
